EDUCATION

Bachelor In Technology
Kashi Institute Of Technology

Computer Science and Engineering AIML

2022-2025

Diploma
Govt. Girls Polytechnic Varanasi

Information Technology
2019-2022   80%

High School
Kendriya Vidyalaya

2018   50%

EXPERTISE

- HTML
- CSS
- Javascript
- Ms SQL
- .Net
- MERN

PROFILE

Eager learner with a strong foundation in .Net development, SQL development, and related fields. Possessing a strong skillset in C# and SQL queries, and eager to contribute to challenging projects. Highly motivated to learn and expand my knowledge base within a fast-paced development environment.

WORK EXPERIENCE

Spring S Technologies

UI/UX Designer and Web Developer Intern

- Designed and developed user interfaces for web applications using Figma and Sketch.
- Collaborated with cross-functional teams to create visually appealing and user-friendly designs.
- Contributed to innovative product designs and enhanced web application functionality

12/23-02/24

Edu Station

Full Stack Developer Intern

With hands-on experience in HTML, CSS, JavaScript, and the MEAN Stack (MongoDB, Express.js, Angular, Node.js), I'm now eager to dive into new challenges and opportunities.

• The journey has been rewarding, and I'm excited to leverage my newfound skills to create impactful web applications

05/23-07/23

Prometheus Solutions

Dot Net Developer Intern

- Developed C# code using Visual Studio 2022 for efficient and effective programming.
- Proficient in writing SQL queries to create stored procedures, perform CRUD operations, and handle exceptions.
- Adapted and modified SQL stored procedures and functions to meet project and client requirements.
- Ensured code efficiency and functionality by constantly updating and modifying SQL procedures to align with changing project needs.
- Implemented exceptional error handling techniques to minimize risks and ensure smooth execution of code.

01/22- 11/22

BTPS KANPUR

Dot Net Developer Summer Training

- I completed a 90-hour Summer Training Program at "Betaue Technologies & Placement Services, Kanpur" in ".Net" Technology, working on the project "Hospital Management," in 2021.

PROJECTS

Expenses Tracker   01/24- 03/24

- Developed and implemented the "Expenses" cross-platform web application using .NET Core, facilitating efficient expense tracking.
- Utilized .NET Technology to create a responsive UI design, enhancing the user experience across multiple platforms.
- Integrated SQL Database for streamlined storage and management of daily and monthly expenses.
- Demonstrated technical skills and problem-solving abilities through the successful completion of the project.
- Github link:- https://github.com/SupriyaJaiswal43/expense-tracker/tree/my-new-branch

Ecommerce Site   08/23-09/23

- Designed and developed "Cara Website," an eCommerce platform using HTML, CSS, and JavaScript.
- Showcased product display and information through the website, serving as a static project.
- Demonstrated the project by providing a website demo at https://carashoping.netlify.app/.
- Github link:- https://github.com/SupriyaJaiswal43/ecommerce-website/tree/my-new-branch

CERTIFICATIONS

- SQL for Developers, Data Analysts and BI.MySQL for everyone | Udemy   **10/23**
- Mastering Data Structures & Algorithms using C and C++| Udemy   **02/23**

ACHIEVEMENTS

Innovative Prototype/ Project Exhibition   12/22

AKTU Zonal Level

Attained Runner-Up position at the Dr. Abdul Kalam Technical, Literary, and Management Fest 2022-2023 (Zonal Level), held on December 09-10, 2022, at Kashi Institute of Technology, Varanasi. - Participated in an Innovative Prototype/Project Exhibition event, showcasing exceptional skills and securing a commendable position
